# “CELTA is the gold standard teaching qualification”

CELTA is the most widely recognised English teaching qualification in the world. Whether you're a new teacher looking for your first teaching job, or you want to prove to employers that you have the teaching skills with a recognised certificate, CELTA is the qualification you need!

CELTA (Certificate in Teaching English to Speakers of Other Languages) is a qualification for teaching English as a foreign language. It focuses on developing practical skills with face-to-face and online teaching practice, which will provide you with the techniques and confidence you need to begin teaching as soon as you finish the course. ([www.cambridgeenglish.org](http://www.cambridgeenglish.org))

## Courses offered:

- Topic 4 Planning and resources for different teaching contexts
- Topic 5 Developing teaching skills and professionalism

## ASSESSMENT OVERVIEW

CELTA is awarded to candidates who have completed the course and who have met the assessment criteria for all written and practical assignments. The overall assessment aims for each topic are that candidates should be able to:

1. Assess learner needs, and plan and teach lessons which take account of learners' background, learning preferences and current needs
2. Demonstrate language knowledge and awareness and appropriate teaching strategies
3. Demonstrate knowledge about language skills and how they may be acquired
4. Plan and prepare lessons designed to develop their learners' overall language competence
5. Demonstrate an appropriate range of teaching skills and show professional awareness and responsibility

## ASSESSMENT FRAMEWORK

There are two components:

- One: Planning, language analysis and teaching

“ CELTA courses always bring together a wonderfully diverse group of people, each with their unique strengths and challenges. The CELTA course is not a competitive course, which means that trainees help, support and learn from each other throughout the course, creating a very positive and supportive learning environment. Another unique point about the CELTA course is that it makes you instantly employable internationally. It's a passport to employment or better job opportunities globally. ”

“ CELTA was a real life-changing experience for me – it allowed me to follow my dreams to become a teacher. I did my CELTA in mixed-mode and it was a really great way to learn how to teach in both ways. The school has amazing facilities with everything you need to do your CELTA. I would strongly recommend taking your CELTA here at ES Dubai – you won’t regret it! Thanks, ES Dubai! ”
