WHAT YOU WILL LEARN

Our English for Job-Hunting course will help you develop the language and communication skills you need to succeed in the recruitment process. You will learn how to research the job market, prepare a CV and cover letter, answer interview questions and build your confidence through extensive speaking practice. Additionally, you will develop valuable soft skills that will help improve your use of English in the workplace.

TOPIC	LANGUAGE SKILLS
Research and Preparation	<ul style="list-style-type: none"> Learn to identify the stages in the job application process, research the job market, and effectively communicate your skills and experience based on your personality and learning styles.
Preparing a CV, Cover Letter and LinkedIn Profile	<ul style="list-style-type: none"> Improve your English language skills to create a strong first impression and highlight your key skills, work experience, and interests in your job application materials.
Job Interviews and Advanced Techniques	<ul style="list-style-type: none"> Enhance your communication skills to prepare for job interviews, effectively deal with interview questions, and demonstrate your research skills and competency.
Soft Skills and Transferable Skills	<ul style="list-style-type: none"> Develop valuable communication skills such as teamwork, conflict resolution, leadership, and public speaking to enhance your professional ability.

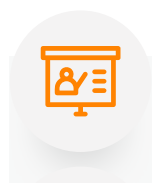

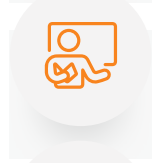

HOW DO WE MEASURE YOUR PROGRESS?

We will evaluate your improvement at every step of your learning process and offer constructive guidance to help you learn the essential skills and become efficient while looking for a job.
