

## About us

ES is an accredited English language school located in Dubai, UAE. With modern facilities, great teachers and a state-of-the-art online learning platform, ES Dubai offers a wide selection of both short term and long-term English language and specialist courses. Taught by our highly qualified and experienced native English-speaking teachers, our courses attract over 4000 students per year from 68 nationalities.

## Corporate programmes

Our corporate programmes allow you to customize an English course according to the needs of your business. Whether you require common topics such as business communications, presentation skills, phone skills, exam preparation or language training for a specific industry (Banking, Finance, Education, and Oil and Gas) ES Dubai will allow you the freedom to mix and match all the different elements to create the perfect course for you.

Tailoring every aspect of the course including content, number of lessons and timetable will ensure that the learning objectives you set out to achieve are accomplished.

Native, CELTA qualified trainers for English language, industry experts for soft skills and IELTS examiners for IELTS Preparation.

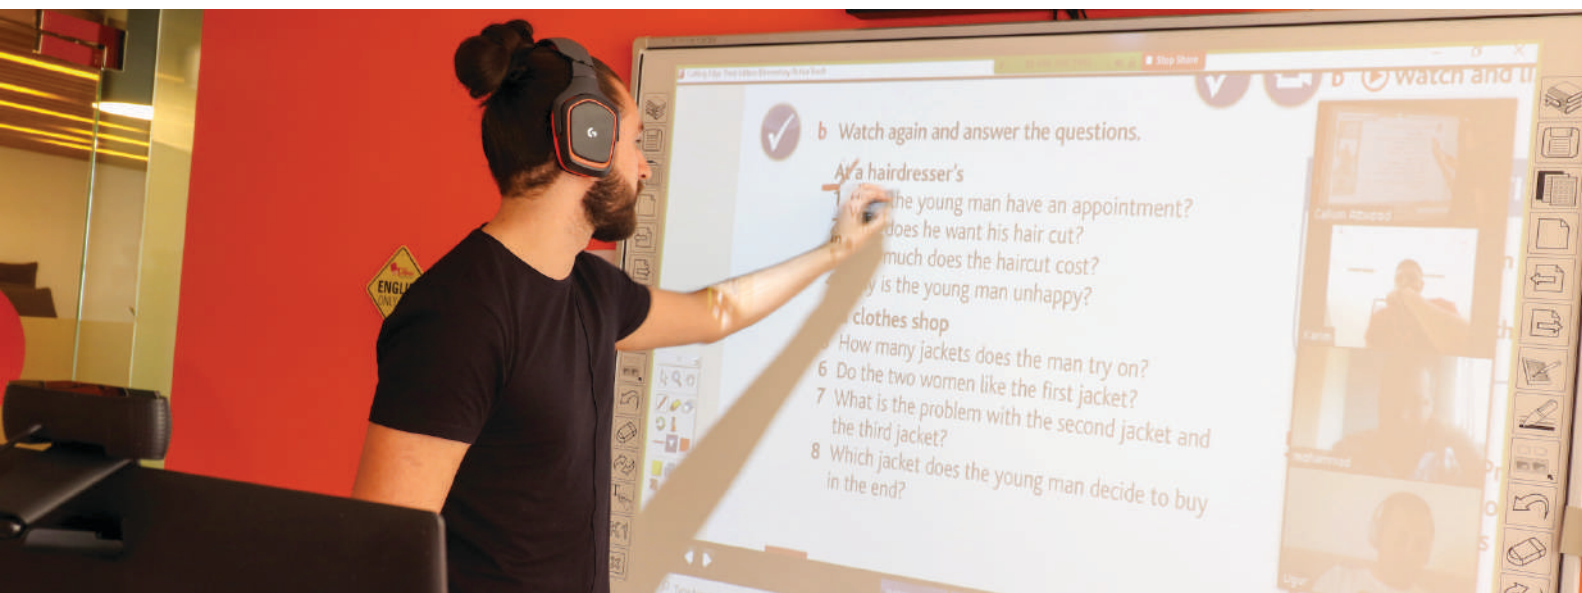

### Participants per class:

Minimum 12, maximum 18

# Live Online

Learning option

## The Platform

We are all about providing the best possible experience and our student portal reflects that ethos!

- ✓ Access your daily class
- ✓ Manage your homework
- ✓ Receive additional study materials from your teacher
- ✓ Check your progress
- ✓ Compare your results to those of the class

## The ES LIVE System

ES Live is an amazing platform where students can attend live daily classes online. At ES Live students are able to see their teacher, share their screen, see and interact with fellow classmates, do group work, learn grammar, practice speaking and much more!

## Regular testing

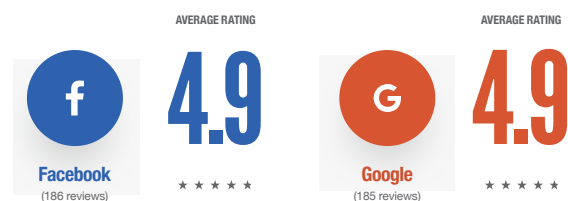

You will have an in-class progress test every two weeks, as well as a mid-level and end of level test. These tests will allow your teacher to give you feedback and to help you improve and plan your studies according to your learning objectives.

We keep track of your results, which allows us to follow your progress throughout your course and provide you with student report cards at the end of your programme. We also monitor your attendance, which should be at least 80% of your classes.

## Why chose ES Dubai as your training provider?

- ✓ Native, qualified British and American teachers
- ✓ Detailed reports of participant's progress and attendance
- ✓ State of the art online learning platform
- ✓ Online and face to face learning options
- ✓ Flexible study plan
- ✓ Affordable fees

## We don't say it, our reviews do!
